Hello Mr. Neal and Mr. Cline:

The U.S. Environmental Protection Agency Region 9 (EPA) has approved the plan for polychlorinated biphenyls that CBS submitted for our approval. Attached is EPA's Approval.

EPA is issuing the Approval jointly to CBS, Pacific Industrial Partners, LLC, and Cline Industrial Holdings, LLC. All the parties are receiving the same Approval for implementation. After you have a chance to review EPA's letter, please schedule a conference call with me to go over questions that you may have on the Approval. I have requested CBS to do the same.

Thank you for your courtesies.

Sincerely,
Carmen
